

At KTNV-Channel 13 Action News we are committed to making Las Vegas a better place for locals and their families. We strive to solve the everyday problems that can make life in Las Vegas frustrating.

Action News tackles problems that government and big business ignore. We ask the tough questions and hold those in authority accountable.

Attached are the community based stories covered by KTNV-Channel 13 for 2Q10 reflecting (5) significant issues that Southern Nevadans are affected by the most; Health and Welfare, Economic Development, Politics, Education and Public Safety.

Our community involvement extended far beyond covering these issues in our newscasts this 2Q10. Along with covering these stories that matter to the Southern Nevada community, Journal Broadcast Group's On-Air Talent and Behind-the-Scenes staff addressed our community's needs by participating in local events that were areas of concern for them.

Specific to 2Q10 was our On-Air Talents' commitment to teaching kids how to read. Though Nevada Reading Week, took place in 1Q10, our anchors kept the drive alive well into 2Q10. Also specific to 2Q10 was KTNV's involvement in the local chapter of the Jefferson Awards. Known as the Nobel Peace Prize for Public Service, the Jefferson Awards are presented to 12 local residents each year, with one moving on to the nation's capitol to represent Southern Nevada. This year's local recipient, who KTNV proudly supported, was Heather Wilder. She was sent to D.C. and while there was presented with the Jacqueline Kennedy Onassis award at the 38<sup>th</sup> Annual National Jefferson Awards celebration at the nation's capitol.
